

We need to support legislators who will be responsive to our efforts. Quality legislators need to be supported and we need to have money in our reserves for future elections. We'll need their support later. To advance your interests, WAHU has made a commitment to strengthen Washington Association of Health Underwriters Political Action Committee (WAHU-PAC) so that we can provide to key candidates. Our goal is to raise at least \$25,000 per election cycle. To do this, we need your support now.

In order to be effective, we need your dollars. Please give whatever you can afford. Many choose to give \$25 or \$100, but others are in a position to give \$500, \$1,000 or even more. We now accept Visa, Mastercard or American Express to make your giving even easier. Additionally, we also offer the option of automatically charging your credit card monthly. Don't stand on the sidelines and let others do it for you. There's too much at stake.

Investing in WAHU-PAC is really an investment in your future. Together, we can make a difference for our customers...and our profession. Make you check out to WAHU-PAC today. Complete the form below and mail or fax it in.
