SPOKANE RECEPTION – MARCH 7th (Location to be Determined)

We will be having a pre-Symposium reception the night before the Spokane event. The evening will be a chance to mingle with the guests. Appetizers and drink tickets will be provided.

Spokane Reception Sponsor Please Contact Us \$ _____
Reception Entertainment Sponsor \$500 \$ _____

New this Year! – This year we will be having a silent auction instead of door prize drawings so that we can raise funds in support of WAHU. We encourage all sponsors and exhibitors to include an auction give away rather than a drawing prize. There will be signage so the attendees will know that the item was donated by your company.

Vendor Bingo - We will still be having our Vendor Bingo to encourage attendees to stop by your booth. WAHU will be offering a special prize for the completed Bingo Card drawing(s).

COVID-19 – As a health insurance organization, we want to be as safe as possible and set a good example. We are monitoring the Omicron Variant's trajectory very closely, taking cues from local health departments and county (King and Spokane) officials. It is a very fluid situation. We will be asking everyone to wear a mask during the event when not actively eating or drinking. We may require a negative test for entry - more to come and thank you for your patience as we work out these details.

Please submit your completed WAHU Exhibitor Registration form by February 15th to reserve your space and participation!

Mail to: WAHU 2022 Symposium
